

# ROYAL ASSEMBLY ROOMS

## *Private Parties and Functions*

*The beautiful Royal Assembly Rooms makes the perfect setting for your private party or function, whether it's a special birthday celebration, anniversary, christening or the sombre occasion of a Wake.*

*And with a Banqueting Suite which can be adapted to accommodate the smallest of gatherings up to a party size of 250, (with informal buffet style seating) the possibilities are endless!*

*Choose from formal sit down meals and traditional finger buffets to carved meat banquets, and BBQ's. If you can't decide on something from our set options then our chefs will work with you to create your very own bespoke menu!*

*In fact you will find this same very personal service throughout from all our working teams - the events coordinator, waiting and bar staff. Something that often gets a little lost along the way when you deal with larger establishments...*

*And if that's not enough, we reckon our fully licensed bar prices are possibly the most competitive in town, with standard size bottles of wine from just £10.00\*!*

*A few other features and facilities...*

- Large free onsite carpark*
- Accessible parking spaces, accessible access within building and accessible toilet*
- Air Conditioning (in main banqueting Suite)*
- Sound System*

*\* Price correct as of October 2016 and may be subject to change*
